- Teaching children (10-15 years old) debating and conversational skills (2009-2011)
- Teaching children (10-16 years old) mathematics, English, Latin and history (2008-2011)

Relevant skills

- Fluent in English and Dutch
- Experienced in using Erdas, Matlab and R
- Experienced in the geological, physical geographical and geochemical fieldwork
- Experienced in working with SEM, XPS, AFM, (surface enhanced) Raman spectroscopy and spectrophotometry
- Experienced in interdisciplinary work

Personal interests

I enjoy doing sports, riding my racing bike and hiking through the mountains. When I am less active, I like to go to concerts, read books or cook.
